WORLD CHANGERS PREP ACADEMY

Since 2020

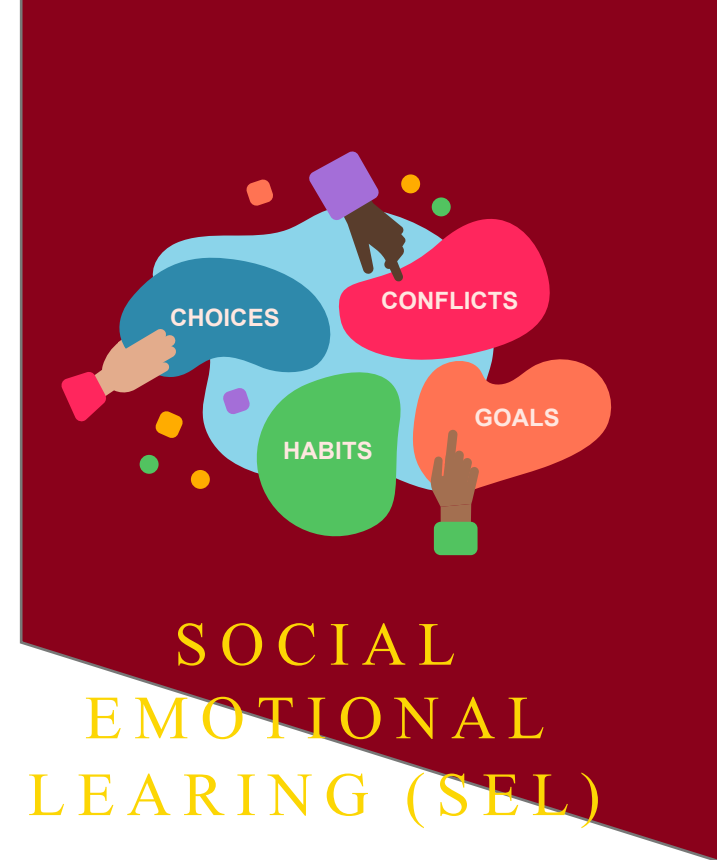

WORLD CHANGERS PREP ACADEMY

- Academics are aligned with the Illinois Graduation requirements
- Courses are virtual, hybrid and in person
- Curriculum includes project based learning, field experiences, social and emotional learning and service learning
- Students participate in dual credit courses

ENGAGEMENT

- Students are encouraged to explore, adventure, to be empowered and inspired to change the world
- Students participate in group sessions, community services projects
- Students attend meetings and participate in activities that empower the community
- Students participate in internships

SOCIAL EMOTIONAL LEARNING (SEL)

- Social Emotional Learning is offered in group sessions and one-on-one
- Mindfulness. Starting the morning with some quiet time for each student helps them to focus on the day ahead.
- Name the emotion. This activity gives each student time to think and share their emotions.
- Apology, Applause, Awareness.
- Weekly powerful messages.
- Arts and Crafts
